## Compare our Mission

*The Creativity Collective* is a multi-disciplinary art non-profit comprised of volunteers that operate The Contemporary Arts Kitchen. We support our all-ages arts programming with projects like *Artisan's Almanac*. It is *The Creativity Collective's* goal to:

- Develop in-house projects that allow artists to gain experience & exposure
- Ensure resources are available for creative individuals
- Spark creative partnerships between artists and the community
- Incubate artistic growth through arts education and networking
- Increase arts awareness and opportunities for artists of all ages
- Promote artistic expression as a path towards mental and physical health
